Throughout the day, the skin on your face is continuously covered with dirt and impurities. Making sure to thoroughly wash your face AM & PM is an essential step to any skin care routine. Before cleansing, prep your skin by gently removing makeup, oil and other impurities to help reinforce skin's protective moisture barrier and keep skin feeling resilient.

Serums can be integrated into any regimen both AM & PM, and can be layered together based on your needs. When using together, apply from lightest to thickest.

WHITENS WHILE YOU BRUSH!

We separate the whitening gel and the booster toothpaste. Keeping them separate until you brush ensures toothpaste's maximum performance.

The whitening power of the hydrogen peroxide powered gel is activated once it combines with the boosting toothpaste.

2-in-1 Whitening Toothpaste

With just one pump, the booster toothpaste activates the gel to remove stains and whiten teeth faster and more effectively than with either alone. Fluoride-free. 140 g
